2. Finca Sweet Prince

Garabito, Central Pacific, Costa Rica

As a renowned horse reserve and sanctuary, and a base for equine therapy sessions for thousands of guests, Finca Sweet Prince has made animal and human care a priority for more than 20 years. The custom equestrian center is integrated into the elegant main home, with spacious stabling, grooming facilities, a corral, round pen, and rolling pastures where the horses—which can be included in the sale price—can roam freely. \$950,000

3. Equestrian retreat

Orvieto, Italy

Eight stables and a large barn plus generous grazing land make this 113.4-acre (45.9 ha) estate in the Umbrian hills an exciting proposition for equestrian enthusiasts. Other highlights include the charming, historical main villa with its beautiful gardens and a swimming pool, a rustic farmhouse boasting two apartments with a total of three bedrooms plus ample storage, and a vineyard and olive grove. €3,450,000

4. Pyrenees perfection

Auch, France

The sumptuous château at the heart of this residence is matched in the facilities for its four-legged residents. There are 11 stables, a covered 60m x 20m riding arena, solarium, two tack rooms and a feed room, while guests are catered for in spacious apartments above the additional loose boxes. Meanwhile, 390 acres (158 ha) of woodland, meadows, and arable land complete a magical retreat. €7,750,000

A rare beauty

Perugia, Umbria

4,465-acre (1,807 ha) estate • 50 buildings • €35,000,000
Property ID: C80490

In the Umbrian hills, a vast estate with a captivating medieval abbey and abundance of buildings—ripe for restoration—awaits its next chapter. This is a unique opportunity to develop exceptional accommodation and to enhance existing agricultural activity.
