This **townhouse** (63 sqm – 678 sqft, three floors) is located in the heart of the **historical center of Anghiari**, in one of the most evocative and well-known alleys of the medieval village. The main dwelling, on the first floor, is composed of a living area with kitchen, bathroom and bedroom in the loft (equipped with a curtain to ensure privacy).

The lower floor has independent access from the alley and has recently been converted into a lovely bedroom with fireplace and bathroom.

The house has been renovated with great care, carefully preserving the original appearance of the building, which still has those characteristics typical of historic buildings: stone floors in the ground floor bedroom, original terracotta tiles in the other rooms, wooden beams and fixtures.
