ATTICO ATENA

In the **historical center** of **Arezzo**, not far from the **Roman Amphitheatre** and **CORSO Italia**, 105-sqm **penthouse** for sale.

The property is located on the fifth floor of the building: you can get here via the condominium staircase or by elevator (which stops on the fourth floor, from which two short flights of stairs then start). Recently renovated, the unit features fine finishes and all the amenities of a modern apartment. It consists of a large living/dining room, kitchen, bathroom and bedroom with wardrobe. From the living room, where there is also a fireplace, there is access to the magnificent **panoramic terrace** of about 205 sqm from which there is a splendid view over the center of Arezzo and it almost seems as if you are touching the bell tower of the cathedral.

The shops in the historical center are all within a five-minute walk and various centers in **Tuscany** and **Umbria** are easily reached thanks to the proximity of the station and a large public car park (Castiglion Fiorentino, Cortona, Sansepolcro, Montepulciano, Pienza, Florence, Siena, Montalcino, San Gimignano...).

From the station, using the *Freccia Rossa* train, one can reach Rome in just over an hour and Naples in less than three hours.
