## CASOLARE CETONA

In the hills of **Cetona**, in southern **Tuscany** on the border with **Umbria**, rustic **country house** for sale. The property (almost 1,000 m<sup>2</sup>) was in the past working as an **Agriturismo** and provided guests with **three apartments** (6 bedrooms), a large common room and a **garden** with a **7 × 3 m swimming pool**. About **6.0 ha of arable land** allows planting vines and olive trees.

Basic services are all available in the nearby medieval village of Cetona (2km; 5') but the location of the property is very convenient to reach most of the art cities of **Tuscany** in less than two hours (San Casciano dei Bagni, Chiusi, Pienza, Cortona, Florence, Siena...). **Lake Trasimeno** can also be reached in about 40' by car.

## DESCRIPTION OF THE BUILDINGS

The **country house** (788 m<sup>2</sup> – 8,479 ft<sup>2</sup>, 6 bedrooms and 3 bathrooms) is a large rustic building dating back to the 18<sup>th</sup> century, laid over two floors. On the ground floor are the old stables, consisting of large rustic-style rooms, the technical rooms for the house and two large warehouses that could be transformed into convenient garages. On the first floor, on the other hand, is the residential part of the building consisting of a large common hall, also very suitable as a recreational area for guests, and three apartments:

- **Apt. A:** living room with kitchenette, two bedrooms in the loft and bathroom;
- **Apt. B:** living room with kitchenette, two bedrooms and bathroom;
- **Apt. C:** living room with kitchenette, two bedrooms (one in the loft) and bathroom.

The building was renovated keeping the countryside style that characterized it, using original materials wherever possible and saving terracotta floors, wooden beams with terracotta tiles, the large fireplaces, elegant brick arches and, a very interesting detail, the beautiful outdoor loggia that gives access to the residential portion.

An **agricultural shed** (114 m<sup>2</sup> – 1,227 ft<sup>2</sup>) and the **former pigsty** (50 m<sup>2</sup> – 538 ft<sup>2</sup>) complete the property.

## EXTERIOR

In front of the farmhouse, surrounded by pines and holm oaks, there is a **7 × 3 m swimming pool** with rounded contours, surrounded by a **4,150-m<sup>2</sup> garden** where one can relax in peace on summer days. Access to the property is via a **tree-lined driveway** that starts directly from the municipal roadway.

In addition to the garden, the property boasts **6.0 hectares (14.8 acres) of arable land** very suitable for growing local crops (cereals, alfalfa...) or planting a vineyard.
