VILLA CAMAIORE

On the hills of **Lucchesia**, not far from the beaches of **Versilia**, **manorial villa** with park for sale. The property (1,365 sqm) is in excellent condition, with fine finishes, and is currently operating as an **accommodation business** with 9 bedrooms. All around the building stretches a **park** with **swimming pool** and parking area for guests.

The villa is easily accessible by paved road and the nearest basic services are less than a kilometer from the property. Continuing along the road then leads to **Camaiore**, where all other secondary services are available. The seaside resorts of **Versilia** (Viareggio, Lido di Camaiore, Marina di Pietrasanta...) are less than a twenty-minute drive from the property.

DESCRIPTION OF THE PROPERTY

The **stately villa** (1,365 sqm – 14,687 sqft, 9 bedrooms and 9 bathrooms) is a large stately building on four floors, decorated in the typical Lucchesia style: on the noble floors we find walls with trompe-l'œil frescoes and coffered and frescoed ceilings while on the top floor, once attics and servants' quarters, we find more spartan finishes such as terracotta floors and exposed wooden beams.

- **Basement:** historic cellars, wine room, kitchen (used for cooking classes and guest experiences) and bathrooms;
- **Ground floor:** reception hall, living room, dining room with kitchenette, dining room connected to the kitchen on the floor below and private office space;
- **First floor:** large central living room, master bedroom with en-suite bathroom, two suites consisting of bedroom with private bathroom and sitting room, guest bedroom with private bathroom and two bedrooms with shared bathroom;
- **Second floor:** bedroom with en-suite bathroom, two bedrooms with shared bathroom and large practicable attics very convenient as storage.

The building is surrounded by about **12,140 square meters of parkland** that includes an elegant **Italian garden** right next to the villa, a lawn area with shaded gazebos on the opposite side, the **18 x 9 m swimming pool** with terracotta solarium, a synthetic **tennis court**, and a large **parking area**.

Below the pool is a **pool house** (25 sqm – 269 sqft, 1 bathroom) with changing rooms, bathroom and technical room.

The park is entirely enclosed by a stone wall that ensures privacy and security: access is directly from the municipal road with an iron gate that opens onto a typical **tree-lined driveway** leading directly to the villa and the parking area.
