VILLA ROSELLE

In a slightly elevated position near the medieval village of **Buriano**, immersed in the quietness of the countryside halfway between the **sea** and the hills of the **Maremma**, **villa** with **swimming pool** and **olive grove** for sale. The house is divided into two independent but internally connected wings:

- The **main wing** (148 m² – 1,592 ft²), renovated and habitable, is on two levels: on the ground floor there is the living room with porch, the dining area with open kitchen and a service bathroom; on the first floor is the sleeping area consisting of two bedrooms, a small office space with exit to the loggia and two bathrooms.
- The **secondary wing** (105 m² – 1,130 ft²), structured on a single floor, consists of a living room, kitchen, three bedrooms and two bathrooms. This portion of the building is in need of renovation and modernization and could be used either as a guest annex or as a continuation of the main house.

The villa is surrounded by a **private garden of 2,000 m²** that houses a canopy with a summer dining area, two wood-burning ovens (also ideal as barbecues), a small tool shed and an **8.5 × 5.5 m swimming pool** that needs some work before it can be used.

The rest of the property (approx. 2.7 ha) is used as an olive grove with a total of around **200 trees** that can produce up to **300 kg of oil** in a good year. A **small pond** located a few steps from the buildings is used for irrigation, while an **agricultural shed** (20 m² – 215 ft²) in the middle of the olive trees is used to shelter tools.

The location of the property is very convenient, close to services and famous historical villages such as **Roselle** and **Vetulonia**, which bear witness to the Etruscan presence thanks to exceptionally well-preserved necropolis of rare beauty. In less than twenty minutes you can also reach the splendid sea of **Castiglione della Pescia**.
