PODERE DEI PRATI

In a **very panoramic and reserved position** in the municipality of **Monte Santa Maria Tiberina**, rustic farmhouse for sale. The property is in need of renovation, but represents an extraordinary opportunity for those who want to build a private residence, an Agriturismo or an accommodation business surrounded by greenery, with ample land available for agricultural activities, breeding or simply to enjoy the tranquility of nature.

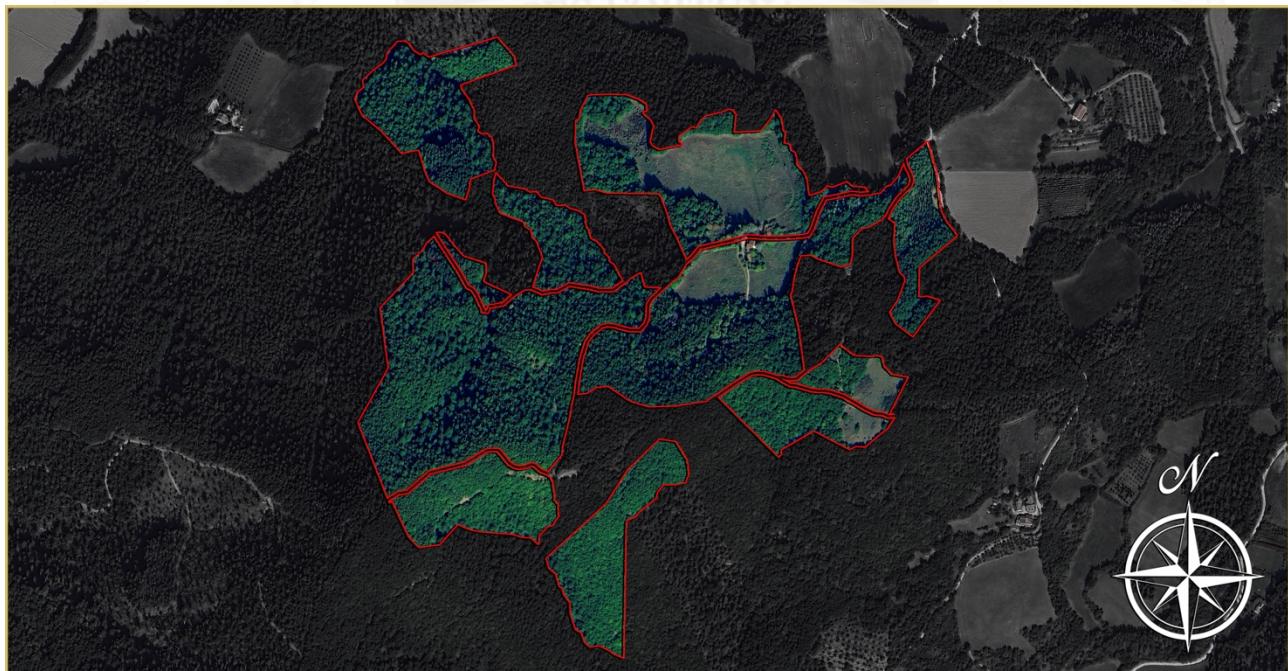

The **farmhouse** (509 m² – 5,477 ft², 4 rooms and 1 bathroom) is distributed on two levels. On the ground floor there are seven large rooms formerly used as stables and cellars, while on the first floor is the actual dwelling consisting of large kitchen with fireplace, dining room, four bedrooms and bathroom.

Accompanying the property is a **ruined barn** (146 m² – 1,571 ft²) consisting of two rooms and a pigsty with eight pens and a large room used as a shed for agricultural tools.

The buildings are surrounded by **2,100 m² of flat land** that could be turned into a garden, with the possibility of building a swimming pool. The rest of the property, on the other hand, consists of agricultural land divided between **arable/grazing land** (8.8 ha) and **woods** (25.6 ha) with chestnut grove.

The property is in a very private location: in less than 10' minutes you can reach the medieval village of Monte Santa Maria Tiberina, where there is a kindergarten, elementary school and a post office. For grocery shopping and daily needs, on the other hand, it is enough to reach Monterchi (15') in Tuscany or Gioiello/San Secondo in Umbria (15').
