## VILLA DEL COLLE

Not far from **Anghiari**, on the border between **Tuscany** and **Umbria** in a panoramic position, small **rural hamlet** for sale. The building (740 m<sup>2</sup> – 7,962 ft<sup>2</sup>, 3 bedrooms and 2 bathrooms) was erected on the site of an ancient monastery, whose façade is still recognizable in the main prospect. Inside it holds a *Madonna* attributed to **Jacopo della Quercia**, placed in a niche in the ancient walls of the monastery. The building needs a general renovation with updates to systems and finishes but is already habitable, with a great potential for an accommodation business. The house is on three levels:

- **Ground floor:** entry, living room, service bathroom, cellar, garage/garage and heating plant;
- **First floor:** living room, reception hall with fireplace attributed to **Michelangelo Buonarroti**, kitchen, three bedrooms, bathroom and large panoramic terrace built above the garage;
- **Second floor:** large attics (five rooms) with habitable heights, potentially convertible into bedrooms and service rooms.

The house is surrounded by a **well-kept 4,100-m<sup>2</sup> park** with hedges and ornamental plants. All around the complex are gently sloping fields (approximately 1.6 ha) that would be suitable for planting olive trees and/or vineyards.

The property is located about 5 km from the medieval village of **Anghiari** where all basic services are available. The location of the property is also very convenient, situated not far from the communication artery that connects the **Tiber Valley** to **Arezzo**, an important junction that allows to take the A1 highway and reach from there Florence, Milan and Rome.
